

Electronic Supplier Payment Management

Designed to **reduce costs and time** completely electronically

Integrated to ACCEO OGC and ACCEO Omni | Powered by ACCEO Transphere

Easy-to-use

Create supplier invitations that are tracked through the online portal. Synchronize accepted supplier invitations so that future payments are always done electronically.

Secure

Remove the potential for cheque fraud and enjoy the freedom to approve payments from anywhere, at any time using the secure web portal.

Cost-effective

Eliminate cheques and reduce processing and labour costs by conveniently making Electronic Funds Transfers (EFT) directly from your accounting system.

Efficient

Quickly manage batch payments, payment submissions, and approvals. Eliminate double entry between your banking system and your solution (OGC, Omni).
